WELCOME NOTE

Happy Chinese Lunar New Year!

Year of the Snake

2013 brings a new year of activities and excitement for us at Tranquil Resonance Studio. We have finally settled on our annual calendar of events so keep posted to learn more about them in our monthly newsletter. I will be heading back to the Shanghai Conservatory this year with Bonnie and a few other students and members of TRS to participate in a master class with Prof. Dai Xiaolian. We also have special events going on throughout the Bay area to celebrate the New Year!

I look forward to sharing the ancient traditional arts with all my friends in this coming New Year!

Cultured Gatherings in ancient China provided friends, scholars, artists, poets, and family a chance to share music, tea, and art.

High Mountain and Flowing Water have been popular themes for poets, painters, and musicians alike. Join us as we explore this theme in guzheng and guqin music. This special lecture will include live demonstration of guzheng folk music, guqin music, and music appreciation of various recordings of old masters.
